

# EXTENSION OF DEADLINES FOR PAYMENT OF PIS, COFINS AND EMPLOYERS' SOCIAL SECURITY CONTRIBUTION AND SUBMISSION OF DCTF AND EFD-CONTRIBUTIONS

In view of the difficulties plaguing companies as a result of COVID-19, the Federal Government has issued rules to **extend the payment deadlines for certain social contributions and the compliance with the corresponding ancillary obligations.**

- Ordinance 139 of the Ministry of Economy: extends the payment period for **Employers' Social Security Contributions of Companies and Domestic Employers (CPP), PIS and COFINS** related to **March and April 2020**, to be paid within the maturity period of contributions due in **July and September 2020**, respectively.
- Normative Instruction 1932, of the RFB: extends the delivery deadlines of **DCTF and EFD-Contribution**, so that:
  - DCTFs originally scheduled to be transmitted in **April, May and June 2020**, can be submitted until **July 21, 2020**; and
  - EFD-Contributions originally scheduled to be transmitted in **April, May and June 2020**, can be submitted until **July 14, 2020**.

It should be **noted** that:

- **PIS, COFINS** and **CPP** amounts maturing in March 2020 and which have not been paid are not supported by the extension;
- the extension does not reach **PIS** and **COFINS** amounts levied on the import of goods and services.
